Las cajas a utilizar para nuestros envíos deben ser obligatoriamente del tipo HEAVY DUTY, esto para evitar abolladuras y maltratos en las diferentes instancias del transporte. El peso limite por tipo de caja es: Small 20 lbs, Medium 60 lbs, Large 90 lbs y Xtra Large 120 lbs. No se permitira el envio de cajas que excedan su peso maximo. En esos casos se debe utilizar la caja inmediatamente superior, sin excepcion. Se debe tomar en cuenta que cada caja está elaborada a unas medidas específicas y para soportar un peso máximo. Cuando usted coloca una cantidad de productos que tienden a deformar la forma rectilínea de las cajas, por muy mínima que esta deformación sea, el volumen de la caja aumenta y, por ende, el costo del envío.
